I. PURPOSE

The purpose of this policy is to emphasize the importance of the policy-making role of the governing board and provide the means for it to continue to be an ongoing effort.

II. GENERAL STATEMENT OF POLICY

Formal guidelines are necessary to ensure the community that the education district responds to its mission and operates in an effective, efficient and consistent manner. A set of written policies shall be maintained and modified as needed. Policies should define the desire and intent of the governing board and should be in a form that is sufficiently explicit to guide administrative action.

The governing board shall determine the effectiveness of the policies by evaluating periodic reports from the administration.

The governing board shall have discretion to determine what constitutes an emergency.
- D. If a policy is modified with minor changes that do not affect the substance of the policy or because of a legal change over which the governing board has no control, the modified policy may be approved at one meeting at the discretion of the governing board.

V. IMPLEMENTATION OF AND ACCESS TO POLICY

- A. The executive director shall be responsible for implementing governing board policies, other than the policies that cover how the governing board will operate.
