

104 - EDUCATION DISTRICT MISSION STATEMENT

I. PURPOSE

The purpose of this policy is to establish a clear statement of the purpose for which the education district exists.

II. GENERAL STATEMENT OF POLICY

The governing board believes that a mission statement should be adopted. The mission statement should be based on the beliefs and values of the community, should direct any change effort and should be the basis on which decisions are made. The governing board, on behalf of and with extensive participation by the community, should develop a consensus among its members regarding the nature of the enterprise the governing board governs, the purposes it serves, the constituencies it should consider, including student representation, and the results it intends to produce.

III. MISSION STATEMENT

The Zumbro Education District is committed to empowering students, staff, and communities through advocacy, collaboration, and educational excellence toward lifelong success.
